TERMS AND CONDITIONS ON REVERSE SIDE

TERMS AND CONDITIONS

1. RLD Heating & Cooling, Inc. will provide 24 hour emergency oil burner service. Depending on service contract chosen, non –included parts and labor will be charged at standard rates.
2. RLD Heating & Cooling, Inc. will inspect and test your heating system to determine unit's current status and degree of efficiency. Recommendations will be made as to what should be replaced or modified to qualify for contract. Non-contractible parts may include, but not limited to, discontinued parts and equipment from older models, and/or equipment beyond repair. RLD will communicate findings to you.
3. It is the policyholder's responsibility to be sure the oil tank(s) do not run out of oil. In the event of a service call due to oil run out, you will be charged the standard rate for the call.
4. RLD Heating & Cooling, Inc. reserves the right of coverage to normal wear and tear of the heating unit(s). Damages that occur in the event of extreme circumstances, are abusive in nature, and/or an act of nature beyond control are not covered, but may be covered by home owner's insurance. In such situations, RLD will respond to the best of the company's ability.
5. RLD Heating & Cooling, Inc. is a full service company providing high efficiency heating and cooling products. Should you require repair, replacement, or upgrade of your system, a complete job quote can be submitted for you approval.
6. Contract is valid for one year. Prices may change yearly.
7. Yearly contracts are non-refundable but are transferable to new owners of same residence.
